The Annual Ithaca Chill Challenge

is a fundraising event for Ithaca Community Recovery. The challenge is a polar plunge, but with a twist.

The Twist: Dip or Dodge

Each participant has their own page for donations—donors "vote" with their \$\$\$ to either...

"Dip 'em" and they'll have to run into the lake for a dip

OR

let 'em "Dodge" and they'll get to stay dry and watch from the shore!

Regardless of who winds up in the lake and who watches from the shore, all donations go to support **Ithaca Community Recovery**.

Prizes for the top fundraisers and for best costumes

You should totally do this! Registration in advance is required. To register or donate to a participant go to our website at www.ithacachillchallenge.org or call (607) 216-8754.
